SYNOPSIS

On December 19, 2017, SA ██████████ attended a second site visit at the Culbertson Facility in Anacortes, Washington.

DETAILS

On December 19, 2017, Members of the Washington State Departments of Ecology, Fish and Wildlife, Natural Resources, representatives of the Lummi Nation, representatives of the Samish Tribe, defense counsel John Wolf and I conducted a site visit at the Culbertson Facility in Anacortes, Washington.

At the Culbertson Facility, the remnants of Cooke Aquaculture's net pen #2 were placed in a large field and arranged for viewing.

Discussions were held between hired engineers and Wolf, along with one Cooke employee ██████████. ██████████ assisted with the issues of Net Pen #2 in August of 2017 and arranged the wreckage at Culbertson's site for review.
